

Promotions Committee (UPC) Yearly Report: Fall 2022{Spring 2023

Alexander Halperin

April 2023

1 Comment from the Chair

It has been a special pleasure working with the UPC members. Their knowledge, agreeability, hard work, meticulousness, and devotion have resulted in successful changes to our Faculty Senate Bylaws, the Faculty Handbook and promotion/Emeritus status of over 40 SU faculty members. Their patience and encouragement of me as an inexperienced member and Chair speaks to their high level of character and high degree of knowledge. Thank you Althea, Asif, Corinne, Deborah, Seth, Star, Tim, Bill, and Mark for everything.
